LD8 Candidates

State Senator Legislative District 8 Candidate **ROXANA HOLZAPFEL**

"My name is Roxana Holzapfel and I am running for the Senate. I am a former FTO with the Tampa Police dept. I am a mother, wife, daughter, scuba instructor (among many other things), and a former small business owner. I've been a Republican my entire life. Tempe has been my home since 1888. Tempe has not had a Republican in the AZ Senate since 1995! It's about time Tempe and Scottsdale has proper representation in our legislature. Caden Darrow is running for the House seat and needs your help as well. If you haven't already, please visit Roxanaforarizona.com and sign my online petition and/or add a donation for me to continue my fight for a conservative voice in our legislature. Thank you. Roxana Holzapfel."

State Representative Legislative District 8 Candidate **CADEN DARROW**

Hello LD8 republicans! It's official, I am our lone single-shot candidate this election for the Arizona State House of Representatives. This year we have a real opportunity to take back one of our state house seats. This means that I will be running against the four other democrats eyeing this seat. The Democrats primary is set to be extremely divisive and will again open the opportunity for us to win.

However, I cannot do this without your help. I am behind in signatures and the deadline to file has been moved forward by the secretary of states office. I am reaching out to every PC to help both Roxana Holzapfel and myself to ensure we get on the ballot. If just 10 PCs are able to fill out one sheet, we will have enough signatures to win. As you all know, I have been an advocate for a better education system in our state. I was the first to call for mandatory audits on our education system to ensure our tax dollars are being spent duly. I believe we need a strong advocate for our police, fire, and emergency services, especially with increasing crime rates.

I look forward to seeing each of you at our next meeting and getting on the ballot to be your fighter in the legislature. If you haven't already, please visit my website at cadendarrow.com and sign my online petition or if possible, send a donation to keep us going!
