MCRC (Maricopa County Republican Committee) I can't emphasize enough how important this group is to winning local MAGA objectives. These are the people we voted for in January! If you haven't gone before, this is the place to see the real dynamics and motives especially of the Chairs who fly as MAGA

but are really sitting in first class with the Elites. And the building will be a great asset for training, campaigns and it even has a Trump store.
